Changes to Schedule for Orientation Events Listed in “Study Start Guide 2020”

The various orientation events for new students listed on P2-8 of “Study Start Guide 2020 (Yokohama Campus) are being re-evaluated and refer to the below schedule for updates on what has been cancelled, postponed or replaced with an alternative as of [1 April](#).

[Updates on 1 April are provided in blue text.](#)

[Updates on 27 March are provided in red text.](#)

Information on each orientation event or procedure is provided as to whether it was run as planned, postponed to the alternate orientation period in May, distributed over the net as data or on video, or cancelled so please make sure you check everything that relates to your Faculty/Department.

Also, future details, directives and changes to orientation and procedures may be updated separately so please refer to the “Regarding measures from April onwards” page on the KU website so please check it regularly.

Final notification of events during the new Orientation Period from Fri 1 May to Wed 6 May is planned to be posted on Tue 21 April.

The “2020 Graduate School Study Start Guide” including the updated orientation period schedule will be posted online in early April.
