## ECNU'S RESPONSE TO COVID-19 WITH A FOCUS ON ONLINE EDUCATION

- Teaching and Learning
- Serving the Community

A photograph of three students, two women and one man, all wearing face masks and lanyards, gathered around a table. They are looking at and signing documents. Several red ribbons are scattered on the table. The man on the right is wearing a white t-shirt with a logo and a backpack. The women on the left are wearing grey shirts. The background is a plain wall.

## OUR RESPONSE TO COVID-19: TEACHING AND LEARNING

The challenges presented by the COVID-19 pandemic over the past several months have thrown the whole world into unexpected difficulties.

The campus of ECNU remained closed from March till August in this spring semester.

5,000

ECNU compulsory and elective courses  
were instructed **online**

16,000,000

**times viewed** by students in this spring  
semester

## 2.1 OUR RESPONSE TO COVID-19: TEACHING AND LEARNING

ECNU Faculty of Education: online courses

5-min  
online mini-courses

more than 90 faculty  
members participated

viewed by more than  
50,000 people

100 online courses  
offered in 34 days

華東師範大學 教育學部  
FACULTY OF EDUCATION, EAST CHINA NORMAL UNIVERSITY

## 2.1 OUR RESPONSE TO COVID-19: TEACHING AND LEARNING

### To the students of China: We stand with you!

Supporting student learning in times of great challenge.

A series of short presentations by the faculty of the  
University of Kansas School of Education

Presented by the  
Global Education Academy, School of Education,  
University of Kansas, U.S.A.  
Offering education without boundaries

- The online courses were highly recognized and supported by ECNU's global partners: Dr. Rich Ginsberg, Dean of the School of Education at the [University of Kansas](#).
- **8 professors** from the University of Kansas immediately participated in the initiative.

**KU** THE UNIVERSITY OF  
**KANSAS**

## 2.2 OUR RESPONSE TO COVID-19:

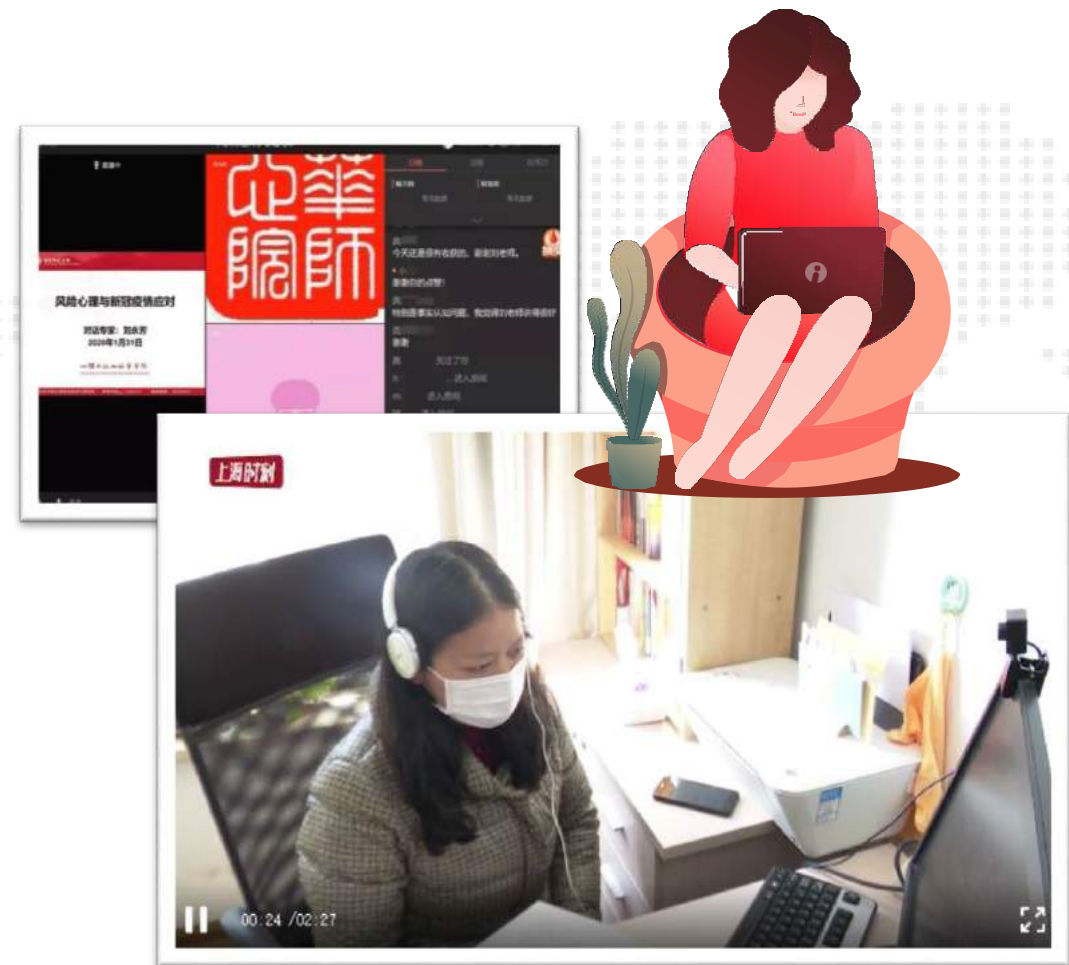

### SERVING THE COMMUNITY

ECNU also utilizes its academic expertise in **psychology** to provide psychological aids to the community.

## 2.2 OUR RESPONSE TO COVID-19: COMMUNITY

- Just **4** days after the pandemic broke out, an **online consultation platform** was set up by ECNU school of Cognitive and Psychology to provide **professional psychological crisis intervention consultation**.
- More than **40** faculty and **100** students participated.
- More than **2,300** consultation requests were received and processed.

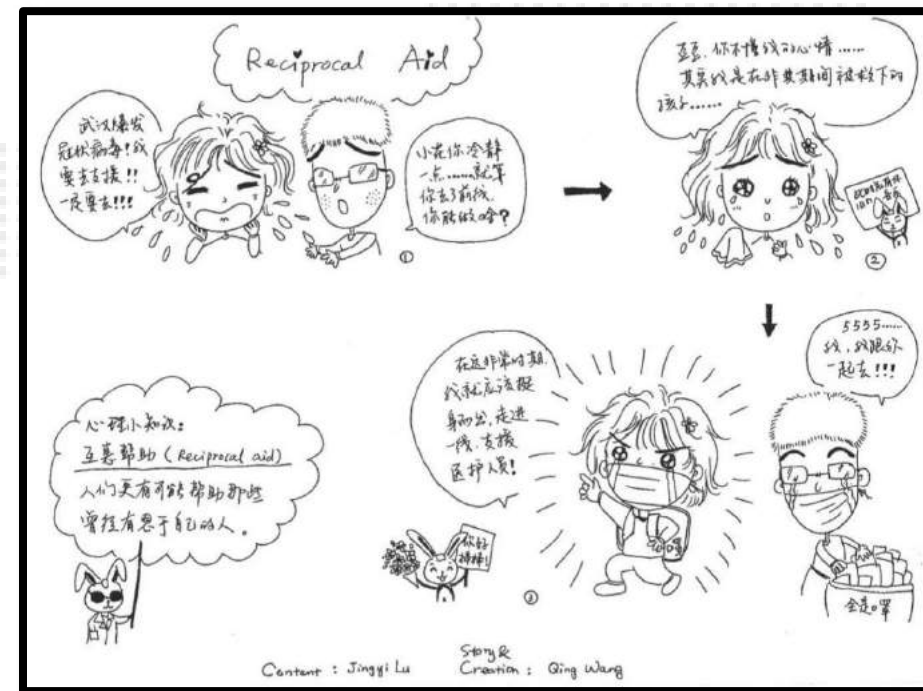

# FREE

remote psychological aids from 12 faculty from  
ECNU Psychological Health and Consultation Center

# 30,000

Chinese students in the consular area were targeted  
upon the request of China's **Consulate-General in  
Melbourne, Australia.**

Cognitive and Psychology promoting mental health  
during COVID-19

## 3

## CONCLUSION

- The Future of Online Education

### 3 CONCLUSION: THE FUTURE OF ONLINE EDUCATION

By May 8, 2020 in China:

1,454

universities  
in China have taught online

1,030,000

teachers

12,260,000

courses offered

17,750,000

university students participated  
in online learning

Degree of satisfaction for **online interaction** with  
teachers is **higher** than  
the traditional face-to-face classroom teaching

“  
provide education for  
everyone without  
discrimination  
有教无类

”
