TEEP@ASIA Plus

The goal of TEEP@AsiaPlus is to invite foreign students to participate in internship program and to consider to come back to Taiwan:

1. to pursue further studies (e.g. graduate programs)
2. to accept job offer in Taiwan upon graduation
3. to work in the school setting so as to promote a diverse language learning environment

Fun in Learning

Activities

Presentations

INTRODUCTION

The first artificially created sightseeing seaport in Taiwan.

This is the biggest fish trading area/market in Taiwan.
At the seaport there are, fish vendors, sightseeing activities, and entertainment and relaxation areas.

TAICHUNG SEAPORT

This photo is from when we first visited Taichung seaport. We ate many seafoods and watched the seascape. We were all really happy at this moment.

2.Taichung Park Lake Twin Pavilions

Picture

Introduction

- The Huxin Pavilion, built in a European style, was built to celebrate the opening ceremony of the entire railway. The Prince Gongzai Ren, who came to Taiwan to host the palace, stayed here for the night, and the Huxin Pavilion became famous.

TZU-YUN TEMPLE

This is the second place we visited. This temple is filled with an ancient atmosphere. All of us experienced the local culture and prayed to the gods.

2. Guguan Bridge

Picture

Introduction

- Completion date : In March, 1986 was completed
- Bridge length : 100 meters.
- pass through dajixi
- Shennu Valley Hotel

YIZHONG STREET

- History
- Good food and drinks
