## Kanagawa University Diversity Declaration

Kanagawa University promotes diversity.

Kanagawa University protects the human rights and freedoms of each and every one of our diverse students and faculty members from Japan and abroad.

We will create a university community that recognizes various differences as individuality.

At the same time, nationality, race, ethnicity, religion, creed,

Origin, age, gender, sexual orientation/gender identity,

Strive to avoid any form of discrimination based on disability, etc.

We aim to build a better inclusive society.

Kanagawa University communicates to students the importance of understanding and respecting different attributes and values.

We will foster citizens with common sense who can contribute to the realization of lasting world peace and the happiness of mankind.

In addition, we aim to clarify and resolve the root causes of discrimination and prejudice that exist in society.

Communicate to society the significance of promoting diversity.
