学生数	38,798名

学部・学科・大学院	大学概要/歴史
●UC San Diego Extension	<p>The University of California San Diego is one of the top-ranked public research universities in the nation. This timeline chronicles the development of UC San Diego from the site of a U.S. military training ground and a marine research station to the innovative, vibrant institution that it is today.</p> <p>UC San Diego's rich academic portfolio includes six undergraduate colleges, five academic divisions and five graduate and professional schools. The university's award-winning scholars are experts at the forefront of their fields with an impressive track record for achieving scientific, medical, creative and technological breakthroughs.</p> <p>Mission UC San Diego will transform California and a diverse global society by educating, by generating and disseminating knowledge and creative works, and by engaging in public service.</p>
